Dear Colin's Angels,

Thank you for your support over the last two years. Colin's Foundation is committed to the mission and purposes to receive and administer funds to act as a public charity to raise funding for awareness of viral myocarditis, and towards research to fight/treat myocarditis, as well as to make donations in support of education. We are very excited to have had two successful annual fundraising events. Our August 2007 & 2008 events were golf outings at the local Flint Elks Club in Grand Blanc, Michigan. Colin loved to go to the Elks Club to swim, eat and play, and he looked forward to playing golf there the next golf season.

We are very fortunate to announce that with the funds we have raised, we will be able to support an informative awareness campaign about viral myocarditis. In 2008, we made a \$10,100.00 donation to support to help fund Dr. Jeffrey Towbin's research to diagnose and fight/treat viral cardiomyopathy and other related heart and viral illnesses. We also have made a donation in the amount of \$2,100.00 to Colin's Elementary School to further the education of the Kindergarten through 2nd grade with the total funding of their Literacy Project, and Field Day.

Due to the continued success of our mission, we are very pleased to announce the Third Annual Colin's Angels Golf Outing. This year it will take place on Saturday, July 18, 2009 at the Captain's Club at Woodfield in Grand Blanc. See the attached flyer for more information. Dr. Towbin will be presenting information about his research on July 17, 2009 through the Genesys Learning Institute in Grand Blanc, Michigan, as well as speaking at the fundraiser golf event.

We hope that we can count on you for this year's fundraising events. If you would like more information about Colin's Foundation, please visit www.ColinsAngels.org, or contact us anytime. Thank you again for your support! "Be happy and keep smiling!"

With Love,

Colin, Mitch, Patrice, LuAnn, & Jason
